Balıkesir, Turkey

Date Of Birth
28.06.2005

PROFILE

Highly motivated and passionate software enthusiast with a strong interest in coding and continuous learning. From an early age, I have been deeply curious about how technology works and dedicated myself to understanding the logic behind software development. Known for being a fast learner, team player, and someone who thrives in dynamic environments. Currently pursuing a degree in Computer Programming to turn my passion into a lifelong career.

WORK EXPERIENCE

Tigon Project   07.2025 - 09.2025
